The question came for McKesson. They wanted to know how I (EPA) considered how we deal with Curt? As a representative for this father (Bud) or just as a concerned citizen? I believe that a few weeks ago you received information from Bud Grisham indicating that Curt did not represent him. Do you know if Curt is a part owner of the Arkwood site or has some other connection to the site (other than just being the son of the owner)? Thanks CAS

Gloria,  
I believe that you were checking on this, as to whether Curt representative if father,  
the Arkwood property owner. Let me know. Thanks CAS

Carlos,

Do you consider Curt to be representing the property owner, Bud Grisham, or just a  
concerned citizen?

Jean
